Redford confirmed for second term at PUC

The Idaho State Senate recently confirmed Gov. C.L. "Butch" Otter's appointment of Mack A. Redford to a second, six-year term on the Idaho Public Utilities Commission.

Commissioner Redford was originally appointed to the commission in February 2007 by Gov. Butch Otter and, with his reappointment, will serve through February 2019. He replaced Commissioner Dennis Hansen who retired. During 2008 through April 2009, he served as president of the commission.

At the time of his appointment, Commissioner Redford practiced law for the Boise-based firm of Elam & Burke PA, specializing in commercial transactions, construction and engineering law, mediation, real estate and general business.

Since his appointment, Commissioner Redford has become active in the National Association of Regulatory Commissioners (NARUC) where he serves on the International Relations and Water committees as well as the Subcommittee of Nuclear Issues-Waste Disposal.

Commissioner Redford and his wife, Nancy, are the parents of two children.
